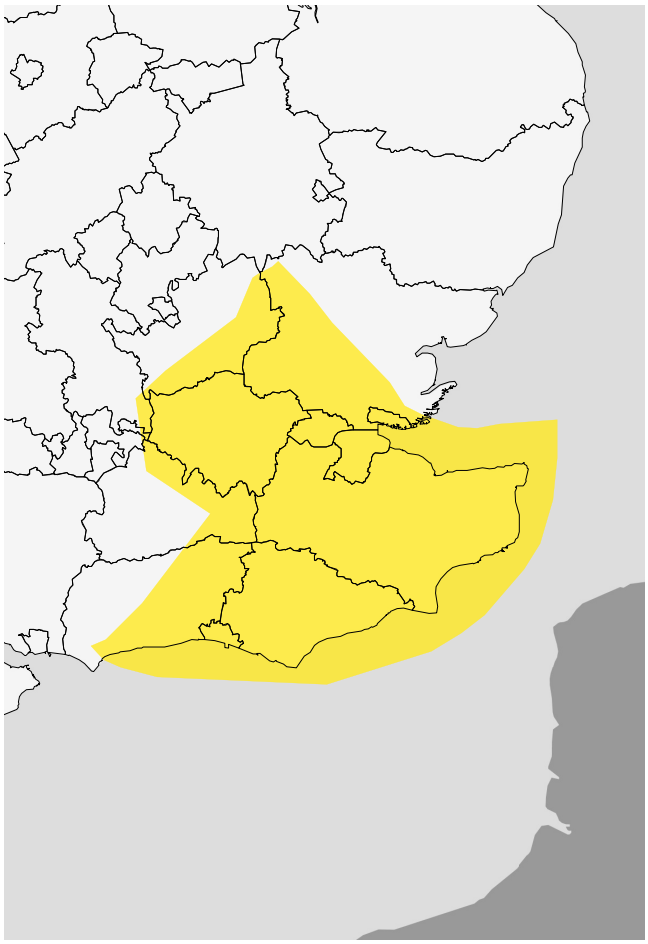
Yellow warning
Snow & Ice

Between
08:00 Sun 24 Jan 2021 and
23:59 Sun 24 Jan 2021



An area of rain and snow will linger over southeast England Sunday leading to some icy stretches and some travel disruption

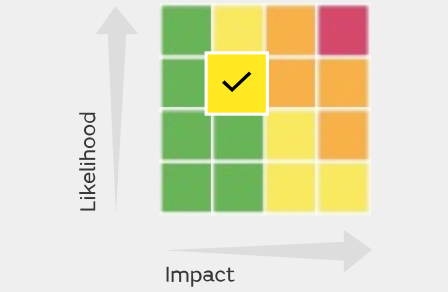
What to expect

- Some roads and railways likely to be affected with longer journey times by road, bus and train services
- Some injuries from slips and falls on icy surfaces
- Probably some icy patches on some untreated roads, pavements and cycle paths

Further details

An area of rain, sleet and snow will move into southeast England from the west on Sunday morning, lingering here for much of the day before gradually clearing Sunday night.

1-3 cm of snow is possible in places, mainly above 100 m, with icy stretches forming as this arrives - some persisting during the day or reforming as the precipitation clears during the evening.



Medium likelihood of low impacts

Issued at 10:31 Sat 23 Jan, 2021
